Dear Rev. Stobaugh:

It is a humbling experience to have been selected by the Cornerstone Leadership Foundation's Board of Directors as the 2006 recipient of the Leadership Award. I am extremely honored by the confidence that you have placed in me.

Thank you for permitting Bill Henry, who serves as an Administrative Staff, to receive this wonderful award for me at yesterday's Prayer Breakfast at the UPJ Campus. I am very appreciative of your understanding that I was unable to personally attend because of my mother's critical illness.

The Jerusalem stone plaque and inscription is truly magnificent. We plan to place this on our website. Certainly, it will be placed in a conspicuous place in my office. I will display it with great holy pride.

The scriptures tell us that it is not uncommon for a person to be unrecognized in their home land. With this in mind, your gesture toward me has made this award have a greater significance.

Thank you again for your commitment and support which is bringing the faith based organizations together in our community.

Sincerely,

Dr. Marion Spellman
